Fig: - Contribution of Product

SAIHAM KNIT COMPOSITE LTD (Unit-Suits) believe in applying the highest ethical standards for human rights, labour and environmental practices.

We understand that our manufacturing units should not stand apart from the country in which they operate and that their activities and conduct should be a source of positive influence.

As a supplier we recognize that, by treating our employees with respect and allowing them to operate in working conditions that are clean and safe with a fair days wage, will make a difference in increasing productivity, reducing risk and improving quality of product. In turn this will also lead to increased customer confidence.

Being socially compliant only delivers these benefits if done effectively so a monitoring program, with country law as a minimum standard, is in operation with improvement programs geared towards full compliance achievement.

In summary, here are some of the main elements of the SAIHAM KNIT COMPOSITE LTD (SAIHAM SUITS). Code of Conduct:

Compliance with National Laws and Regulations:

SAIHAM KNIT COMPOSITE LTD (Unit-Suits) should observe all applicable national laws, rules and regulations in force. In areas not, or only weakly, regulated by national law, they shall strive to act according to the values and principles laid down in the Code.

Basic understanding of responsible corporate behavior:

Through SAIHAM KNIT COMPOSITE LTD (Unit-Suits) business activities, they should contribute to their community's well-being, promotion and development. This, through the promotion of the principles of responsible management, such as transparency, accountability, sincerity and integrity. No form of bribery or corruption practiced by management or workers shall be tolerated.

Respect for human rights:

It is the responsibility of private enterprise to take all possible and economically feasible measures within their sphere of influence to assume their responsibility to respect human rights. In the case of infringements directly related to a company's business activities, SAIHAM KNIT COMPOSITE LTD (SAIHAM SUITS). should use their influence to encourage the responsible actors to mitigate risks or remedy rights violations in the supply chain.

Labour rights and working conditions:

SAIHAM KNIT COMPOSITE LTD (Unit-Suits) shall uphold the eight core labour standards of the International Labour Organization (ILO) and should commit to create a safe and humane working environment.

Effective remediation of child labour:

SAIHAM KNIT COMPOSITE LTD (Unit-Suits) should commit to work towards the effective remediation of child labour by agreeing upon a minimum acceptable working age of not less than 18 years. A worker's age must be determined before employment.

Protection of workers and skills development:

SAIHAM KNIT COMPOSITE LTD (Unit-Suits) workers should not carry out work in dangerous, unsafe or hazardous conditions or work which is harmful to their safety and health. They also may not work during night hours and shall avoid working with potentially harmful machines or substances, including (but not limited to) fabric cutting machines or toxic chemicals. Also workplace training should be welcomed and encouraged.

No forced labour:

SAIHAM KNIT COMPOSITE LTD (Unit-Suits) do not tolerate any form of forced or compulsory labour. Workers shall have sought work on their own free will. All work or service which is demanded under the threat of penalty, violence or intimidation and for which they said person has not offered him or herself voluntarily shall be objected.

Freedom of association and right to collective bargaining:

The workers' rights to establish and to join work organizations of their own choosing without previous authorization shall be respected and the right to collective bargaining shall be observed. SAIHAM KNIT COMPOSITE LTD (Unit-Suits). shall adopt an open and collaborative attitude towards the activities of trade unions. The Representatives must be elected in a fair and neutral electoral procedure.

Humane treatment of workers:

SAIHAM KNIT COMPOSITE LTD (Unit-Suits) Management all levels treats their workers with respect and dignity and does not engage in abusive or inappropriate behavior towards workers. Disciplinary measures may not involve physical punishment or psychological harassment.

Wages and benefits:

The wage level for regular working hours shall not fall below contractual or legal minimum wage rates in SAIHAM KNIT COMPOSITE LTD (SAIHAM SUITS). Illegal and unjustified wage deductions, in particular for disciplinary measures, SAIHAM KNIT COMPOSITE LTD (SAIHAM SUITS) does not tolerate.

Working hours and overtime:

The maximum number of regular weekly working hours for the garment industry shall not exceed 48 hours (8 hours per weekday), such as defined by national law. Overtime hours are allowed only with permission granted by the SAIHAM KNIT COMPOSITE LTD (SAIHAM SUITS). and General Labour their impact on the environment and the climate as low as possible. This may include the promotion of environmentally friendly and energy-efficient production and the implementation of a waste management system.

Subcontracting policy:

Assuming their responsibility to influence a transparent supply chain, SAIHAM KNIT COMPOSITE LTD (SAIHAM SUITS). refrain from unauthorized subcontracting to third parties. Whenever subcontracting workloads, the companies appeal to these third parties to respect the values and requirements outlined in this Code of Conduct.

Disputes, grievances and complaints:

Every worker in SAIHAM KNIT COMPOSITE LTD (Unit-Suits) Factory has the opportunity to raise concerns and to complain about factory policies, practices or working conditions. A suggestion box has available within the factory in order to receive anonymous comments.
